## Employment History

### March 2003 - Present: Freelance

I write about business, technology, travel and lifestyle for publications such as the *FT*, *GQ*, *The Sunday Telegraph* and *Management Today*. I also do some copywriting and other editorial work. Examples of features at: [www.rhymer.net/cuts.htm](http://www.rhymer.net/cuts.htm).

### February 2002 - February 2003: Travel

A year's travel, including India, Indonesia and South America. While away, I continued to do some writing - mainly travel features for the nationals. Anyone wishing to know more about this can find thousands of words and hundreds of photos here: [www.rhymer.net/leisure.htm](http://www.rhymer.net/leisure.htm).

### May 2001 - February 2002: Freelance

Writing for various of publications including *The Sunday Business*, *Arena*, *The Independent* and *Campaign*.

### 2000- May 2001: Features Editor, *Business2.0*

Commissioning, editing and originating features throughout the magazine, finding new writers and managing budgets; writing and subbing.

### 1998 - 2000: Section Editor, *Management Today*

Responsible for two sections of the magazine: the business zeitgeist and the technology pages. Commissioning, editing and writing. Also worked on the magazine's relaunch.

### 1996 - 1998: Staff Writer, *Management Today*

Writing features, columns and shorts. Some editing and commissioning.

### 1994 - 1995: Editorial Researcher, *Management Today*

In theory, acting as an in-house researcher for the editorial team and freelance writers; in practice mainly writing, with the odd research request.
